

Destiny Defensive Portfolio

July 2018

Investment strategy

The investment strategy is to maximise the allocation of investment receipts towards retirement funding investments, and to objectively select and manage investment manager allocations on its members' behalf so as to maximise investment returns at an appropriate level of risk.

Comments

*The fee was reduced from 1 March 2018. It is made up of the underlying investment managers' fees and Momentum Outcome-based Solutions portfolio management fee. It excludes GIB's fee as well as performance-based fees, which are currently limited to those charged by Coronation, Foord, Fairtree and Allan Gray for its global portfolio.

The benchmark for the local equity component was changed from the FTSE/JSE Shareholder Weighted Index to the FTSE/JSE Shareholder Weighted Capped Index going back to 1 May 2013.

Investment portfolio mandate

This investment portfolio is aimed at achieving capital preservation protected from extreme volatility. The portfolio's exposure to bonds and cash will increase in times of uncertainty. The portfolio is managed in compliance with Prudential Investment Guidelines and the limits of Annexure A to Regulation 28 of the Pension Funds Act.

This investment portfolio is administered and managed by Momentum Outcome-based Solutions (Pty) Ltd, registration number 2004/023064/07, which is an authorised financial services provider in terms of Section 8 of the Financial Advisory and Intermediary Services Act, 37 of 2002 (FAIS Act), as amended, FSP licence number 19840. This information is not advice as defined and contemplated in the FAIS Act. The company is also registered as an administrator in terms of Section 13B of the Pension Funds Act, registration number 24/401. Investment returns for periods exceeding one year are annualised. All returns quoted are before deduction of fees, except where a portfolio includes underlying investments where fees are deducted from the return, but after the deduction of performance-based fees. All returns are daily time-weighted returns. The return for the global component of a portfolio is generated at month-end using the global component's last known price. The return for Consumer Price Index (CPI) is to the end of the previous month. The investment manager returns shown in the table are based on the history of Momentum Outcome-based Solutions (Pty) Ltd's investment in that particular investment manager's portfolio, and not necessarily when the investment manager was included in this portfolio. Given that past returns may not be indicative of future returns and the value of investments will fluctuate over time, independent professional advice should always be sought before making an investment decision. Although reasonable steps have been taken to ensure the validity and accuracy of the information in this document, the company does not accept any responsibility for any claim, damages, loss or expense, howsoever arising, out of or in connection with the information in this document, whether by a client, investor or intermediary.
